BRG Update:

The fencing work party on the main grounds attracted 15 workers, who made short work of finishing another section of new fence along Hwy. 95. New fencing now is completed from the east end to the east gate. Some of the workers also applied a coat of linseed oil on the exterior of the Cook Shack. Thanks again to all who helped!

Upcoming projects:

BRG is looking into buying two new satellites, one on each ground, and also putting one on a trailer so it can be moved around during trials. Wayne Skochenski is looking into costs for new vs. used units. BRG now pays \$1,200 per year to service the existing units.

Next Meeting:

Monday, Sept. 25, 7 p.m., at Axels in Loretto. This will include an update on our Sept. 15-17 field trial, plus elections for 2018.

July 31 meeting notes:

Hunt Test Chair Travis Lund reported plans are coming together for the Aug. 11-13 event at BRG. He said he still could use more help, so please contact him if you can help out. The hunt test and owner-handler numbers look good, so profits should be healthy. Remember all profits go directly to BRG.

Linda Twiss, our club secretary, has asked to be replaced, effective this coming year. Linda has been secretary for several years, and has done a great job. Thanks, Linda! Needless to say, HCARC is looking for a replacement. So if you have an interest, Please contact Chris Brandl, club president.

2018 officers, board members: We will be electing officers and board members, and one BRG board representative, for next year at our next meeting, Monday, Sept. 25. Chris Brandl will be appointing a nominating committee soon.
